Maple Ridge

GOLF COMMUNITY HOMEOWNERS' ASSOCIATION, INC.

Window Replacement Standards/Guidelines

All exterior improvements must be approved by the Architectural Control Committee (ACC). Below are the window replacement standards/guidelines for window replacement. You must submit this signed form, the specs you are asking to be approved, and product brochure, in addition to a Maple Ridge ACC Request Form for approval. The ACC form can be downloaded from the Maple Ridge website, www.mapleridgehoa.org. You cannot begin work until you have received written approval from the ACC committee.

General

The exterior trim and back of window inserts must match the exterior trim of the house. Any color change from the original color must be submitted for approval to the ACC on proper form before work is started.
